## 8. PAYMENT AND INVOICING

- 8.1. PDV will pay for the Services and Deliverables no later than the last day of the month following the month in which it receives a correct invoice from the Supplier (the "Due Date"). For the avoidance of doubt, if the Supplier does not include in such invoice the information specified in the Purchase Order or Schedule, or if the amount invoiced is otherwise inaccurate, then such an invoice will not be correct for the purpose of this Clause 7.1 and PDV shall be under no obligation to pay the Supplier until the Supplier has provided such correct invoice.

At PDV's request or, if no request is made, upon completion of this Agreement, the Supplier shall delete from its systems and return to PDV all such Confidential Information.
- 9.2. The restrictions in Clause 9.1 do not apply to any information to the extent that it:
- 9.2.1. is or comes within the public domain other than through a breach of Clause 9.1; or

- 10.1. The Supplier shall acquire no rights or interests in any Intellectual Property Rights of PDV by virtue of this Agreement.
- 10.2. The Supplier shall make no use whatsoever of any Intellectual Property Rights of PDV unless authorised in advance in writing to do so by PDV. If and to the extent that PDV so authorises the Supplier, the Supplier warrants, represents and undertakes that it shall:
- 10.2.1. only use such Intellectual Property Rights as PDV authorises, for the specified purposes that PDV authorises and no other purposes whatsoever; and
- 10.2.2. comply with the directions from time to time issued by PDV about the use of PDV's Intellectual Property Rights.
- 10.3. Where Services are provided and/or Deliverables are created specifically for PDV and unless otherwise expressly agreed in this Agreement, the Supplier shall assign to PDV all rights, title and interest with full title guarantee, free from any adverse rights or claims, in all present and future Intellectual Property Rights and all other rights in the products of such Services (and/or in such Deliverables) ("the Assigned Materials"), to the extent that they do not already vest in PDV by operation of law or under this Agreement. This assignment shall include but shall not be to all rights of action for damages for Intellectual Property Rights infringement, all rights in any modifications or enhancements to existing software, whether owned by PDV, the Supplier or a third party, and if necessary the Supplier shall procure the assignment to PDV by the author or creator of such Intellectual Property Rights produced during the performance of the Services.
- 10.4. The Supplier shall:
- 10.4.1. immediately upon creation of any Intellectual Property Right in performance of the Services, disclose and deliver to PDV all information and data in its possession, power or control necessary for a full understanding, application and, where applicable, registration of the Intellectual Property Right; and
- 10.4.2. promptly, and at PDV's request, do all such further acts and execute all such documents as PDV may from time to time require for the purpose of securing for PDV the full benefit of this Agreement, including all right, title and interest in and to the Intellectual Property Rights and all other rights assigned to PDV in accordance with this Agreement, in any or all countries and free from any adverse rights or claims.
- 10.5. The Supplier shall irrevocably and unconditionally waive any and all moral rights to any Intellectual Property Rights produced by the Supplier pursuant to performance of the Services under the Copyright Design and Patents Act 1988 Chapter IV or any rights or a similar nature under any law in any other jurisdiction.
- 10.6. For the avoidance of doubt, the know-how, techniques or principles used which are the property of the Supplier at the start of the Services shall remain the property of the Supplier.
- 10.7. The Supplier shall indemnify and keep PDV indemnified against any and all losses, costs, damages, liabilities, claims, demands and expenses suffered or incurred by PDV (including legal expenses reasonably and properly incurred) arising out of any claim brought against PDV by any third party alleging that its Intellectual Property Rights are infringed by the use by PDV of the Services and/or the Deliverables provided that PDV:
- 10.7.1. informs the Supplier of such claim;
- 10.7.2. does not make any admissions that prejudice, or might prejudice the defence of such claim;
- 10.7.3. allows the Supplier complete control over the defence of, and over all negotiations relating to, such claim; and

- 10.7.4. provides the Supplier with all reasonable assistance as requested by the Supplier.
- 10.8. The Supplier shall:
  - 10.8.1. not, without the specific, prior, written consent of PDV include any Open Source Software in any Deliverables which it is aware (or ought reasonably to be aware) will or may be incorporated within PDV's products/services or provided by PDV to third parties if the terms on which the Open Source Software is made available would require PDV to disclose code in which it owns the Intellectual Property Rights to any third party.;
  - 10.8.2. notify PDV at PDV's request from time to time of any Open Source Software which has been included within any other Deliverables.

## 11. DATA PROTECTION

- 11.1. Each party undertakes to the other that it will at all times pursuant to this Agreement comply with all applicable legislation, regulations, and other rules having equivalent force (including but not limited to the DPA) and any subordinate or associated regulations.
- 11.2. In relation to the DPA the parties shall in addition to the general obligations under Clause 11.1 and without prejudice to any other provisions of this Agreement:
  - 11.2.1. notify all relevant details of any processing of Personal Data to the Information Commissioner as set out in the DPA and only process such Personal Data in accordance with the terms of its registration under the DPA; and
  - 11.2.2. comply with the rights of the individuals to whom the provision of the Services relates as set out in the DPA.
- 11.3. Each party warrants that it has in place and undertakes to maintain throughout the duration of this Agreement appropriate technical and organisational measures against unauthorised or unlawful processing of personal data and against accidental loss or destruction of or damage to or disclosure of Personal Data.
- 11.4. Neither party shall process any Personal Data of the other party other than as reasonably necessary for the provision of the Services or otherwise in accordance with the instructions of the other party, and shall not without the prior written consent export or process any Personal Data of the other party outside the United Kingdom.
- 11.5. Information security is an important issue to PDV. The Supplier acknowledges that if it will handle or have access to, or is likely to handle or have access to, any data or other information of PDV ("PDV Information") it will have been required to complete a PDV request for information questionnaire ("RFI") as part of PDV's supplier selection and management process. If at any time the Supplier is handling or has access to PDV Information and has not completed an "RFI", PDV shall be entitled to terminate this Agreement by notice in writing to the Supplier (provided that if this is because of any act or omission of PDV, PDV shall give the Supplier a reasonable opportunity to complete an "RFI" before exercising this right).
- 11.6. The Supplier warrants to PDV that whilst this Agreement remains in force (and without prejudice to the provisions of Clauses 9 and 11.4) it will have and keep in place any information security measure which the Supplier has indicated to PDV (either in its response to the "RFI", or otherwise in writing) that it has or will have in place.
- 11.7. The Supplier acknowledges that in deciding whether to place business under any agreement with a supplier, and/or whether to renew or extend any such agreement, PDV will have regard to the principles and requirements of its "RFI" document a copy of which will either have been provided to the Supplier, or which can be made available on request. The Supplier will act reasonably in assisting PDV in measuring its performance against, and achieving compliance with, all security requirements.

- 11.8. PDV acknowledges that it and the Service Provider must, to the extent relevant, comply with the Privacy and Electronic Communications (EC Directive) Regulations 2003 ("PECR") in performing their respective obligations under this Agreement and accordingly, PDV acknowledges and agrees that the Service Provider may at its sole discretion and without liability to PDV refuse to undertake any email broadcast which would cause it or PDV to contravene PECR.
- 11.9. Accordingly, but without limitation, the Service Provider may at its sole discretion and without liability to PDV refuse to:
  - 11.9.1. transmit unsolicited emails unless either (i) the recipient of the email has notified the Service Provider or PDV that he consents for the time being to such communications being sent by or on behalf of PDV or its client; or (ii) PECR otherwise permits; or
  - 11.9.2. transmit any email where (i) the identity of PDV or its client has been disguised or concealed or (ii) where a valid address to which the recipient of the email may send a request that such emails cease has not been provided or (iii) where the selections made by PDV are not consistent with the marketing consents given by the relevant consumers to the Service Provider.
- 11.10. As the Service Provider is the source of the data and provider of the email broadcast services, primary responsibility for compliance with PECR rests with the Service Provider.
- 11.11. Where the Supplier uses 3rd parties to provide the Service the Supplier must:
  - 11.11.1 in the event that the Supplier is made aware that the 3rd party is under investigation by the Information Commissioner's Office or the Direct Marketing Association then it shall immediately notify PDV and cease to use the 3rd party;
  - 11.11.2 warrant that it has examined all consent statements and Privacy Notices of the 3<sup>rd</sup> Party to ensure that PDV may legally use all personal data supplied either for use by PDV and/or its clients for marketing purposes including communication by telephone, mobile or post;
  - 11.11.3 will provide PDV, as part of the RFI process, all 3<sup>rd</sup> parties the Supplier intends to use for the purposes of the supply of personal data;
  - 11.11.4 will provide PDV, as part of the RFI process, copies of all consent statements and Privacy Notices under which all personal data, that is to be supplied to PDV and its End Client, has been collected under;
  - 11.11.5 will inform PDV immediately of any change of 3<sup>rd</sup> parties, consent statements and Privacy Notices relative to personal data which is being collected on behalf of PDV and its End Client;
  - 11.11.6 will ensure that, where required, specific named consent is obtained on behalf of PDV's end clients when asked to do so;
  - 11.11.7 will cease to use any 3<sup>rd</sup> party who, in the reasonable opinion of PDV, are unable to comply with the requirements of these Terms and conditions and the DPA.
- 11.12. The End User will permit with reasonable written notice from PDV for PDV and/or its authorised representative(s) to have access to the End Users premises to:
  - 11.12.1 examine hardware, software, data and any other records, documents or other relevant information relating to the collection of Personal data and to compliance with the Applicable Regulations, and to take copies thereof;
  - 11.12.2 ask for and receive explanations in respect of such matters from the Supplier to the extent necessary for PDV to be satisfied that the terms of the Agreement are being complied with;
  - 11.12.3 PDV may also inspect, audit and take copies from the relevant books, records and to appoint an independent auditor to review the accounts and other records (in each case including but not limited to those in machine readable form) of the Supplier for the purposes of ensuring the accuracy of the records of all supplies of Personal data to PDV and its End Clients;
  - 11.12.4 access shall be granted for these purposes at any time during which the relevant premises are ordinarily open for business. Written notice will not need to be given if access is required by regulation or if PDV

has reason to suspect a breach of the Applicable Regulations or a breach of the security and confidentiality clauses of the Agreement;

- 11.12.5 if an audit determines inadequacy or breach then PDV has the right to terminate the Agreement forthwith with all fees due from the Supplier becoming immediately payable in full.

## **17. FORCE MAJEURE**

- 17.1. Neither party will be liable for any delay or failure in the performance of its obligations under this Agreement if such delay or failure is due to an event of Force Majeure.
- 17.2. If Force Majeure occurs, the delaying party shall be entitled to an extension of time for so long as the Force Majeure persists on condition that it promptly notifies the other party ("unaffected party") of the event of Force Majeure and discusses with it possible action to be taken to overcome the effect of Force Majeure and provided it uses all reasonable endeavours to overcome the event of Force Majeure.
- 17.3. If the Force Majeure persists for a period of 28 days or longer, the unaffected party may give notice to the other to terminate this Agreement with effect from a date specified in the notice without penalty or other liability (except for any liability on the Supplier to pay any refund to PDV).

## **18. ENTIRE AGREEMENT**

- 18.1. This Agreement and all documents referred to in it constitutes the parties' complete agreement relating to its subject matter and supersedes any previous agreements or arrangements between the parties relating to the same subject matter and, save for fraudulent misrepresentations, neither of the parties shall be bound by, or liable to the other party for, any representation, promise or inducement made by any agent or person on behalf of such party that is not contained in this Agreement.
- 18.2. No amendment or variation of this Agreement shall be valid or binding unless:
  - 18.2.1. it is made in writing and signed by an authorised representative for each party to this Agreement; or
  - 18.2.2. it is an electronic communication from PDV's electronic procurement system with the sender identified as dlaccounts@dlg.co.uk and expressly states such communication to be contractually binding.
- 18.3. Both parties intend and agree that the legal relationship created by this Agreement is one of the provision of independent specialist services. Nothing in this Agreement shall give rise to the presumption that the Supplier is an employee of PDV.
- 18.4. Where the Supplier is an agency providing consultants to PDV; if for any reason any member or members of the Supplier's personnel (including but not limited to employees, contractors and/or agency workers) is adjudged by a court or tribunal or statutory or administrative body or other authority of competent jurisdiction to be an PDV employee for employment, tax or other purposes ("a Claim"), the Supplier shall indemnify (and keep indemnified) PDV against any and all losses, damages, liabilities, claims, demands, compensatory awards, taxes, fines and expenses suffered or incurred by PDV (including legal expenses reasonably and properly incurred) arising out of or in connection with such Claim.

## **19. ASSIGNMENT**

19.1. The Supplier may not assign, transfer, charge or deal in any other manner with this Agreement or any of its rights under it, or purport to do any of these things, or sub-contract any or all of its obligations under this Agreement without the prior written consent of PDV. PDV may assign, transfer, charge, sub-license or deal in any other manner with this Agreement or any of its rights under it to its Group Companies without the prior written consent of the Supplier.

## **20. WAIVER**

20.1. If either party fails to exercise a right or remedy that it has or which arises in relation to this Agreement, such failure shall not prevent that party from exercising that right or remedy subsequently in respect of that or any other incident.

20.2. A waiver of any breach or provision of this Agreement shall only be effective if it is made in writing and signed on behalf of the party who is waiving the breach or provision. Any waiver of a breach of any term of this Agreement shall not be deemed a waiver of any subsequent breach and shall not affect the enforceability of any other term of this Agreement.

20.3. If any part of this Agreement is found to be invalid or unenforceable by any Court or other competent body, such invalidity or unenforceability shall not affect the other provisions of this Agreement and such other provisions shall remain in full force and effect.

## **21. NO PARTNERSHIP**

21.1. Nothing in this Agreement is intended to, or shall, operate to:

21.1.1. create a partnership or joint venture of any kind between the Supplier and PDV;

22.4. If the address for service of notices under Clause 22 is outside the United Kingdom, the Supplier elects the person or organisation named in the Purchase Order or Schedule for the purposes of accepting service of notices within the United Kingdom on the Supplier's behalf. Any notices sent to the Supplier in accordance with this Clause 22.4 are deemed given in accordance with Clause 22.2.

## **23. THIRD PARTY RIGHTS**

23.1. Persons who are not a party to this Agreement shall not have any rights under this Agreement and for the avoidance of doubt the parties agree that nothing in this Agreement shall be construed as creating a right which is enforceable by any person who is not a party to this Agreement.
